Introduction

The right to information is implicitly guaranteed by the Constitution. However, with a view to set out a practical regime for securing information, the Indian Parliament enacted the Right to Information Act, 2005 and thus provided a powerful tool to the citizens to get information from the Government as a matter of right. This law is very comprehensive and covers almost all matters of governance and has the widest possible reach, being applicable to Government at all levels- Union, State and Local as well as recipients of government grants.

The basic object of the Right to Information Act is to empower the citizens, promote transparency and accountability in the working of the Government and make our democracy work for the people in real sense. The Act is a big step towards making the citizens informed about the activities of the Government.

The Act requires the Government authority to compile a handbook in easily comprehensible form and to update it from time to time under **Section 4(1) b** sub clauses i to xvii (17 Manuals). The objective of publishing 17 Manuals is the proactive disclosure of the information/records held by Govt. Authority for the information seekers. The office of Assistant Engineer, Building & Factory, F/North ward is hereby publishing the Handbook for 17 Manuals as required under RTI Act 2005 to promote transparency and accountability in the working of the department & to give easy access to the information seekers to the information & records held by this office.

This handbook contains introduction about the department along with particulars of its functions, duties, objectives & vision. It further elaborates about the duties, powers delegated to its officers & employees. The procedure followed in decision-making process, accountability of concerned officers, norms set for discharge of its function along with Acts, related rules/regulations are further described in detail. It also contains the Statement of Categories of documents held by this office, directory & remuneration of its officers and employees. The details of budget allocation & its disbursement, particulars of permits issued, facilities available for citizens & details of PIO/Appellate authority is also published for information.

This consolidated updated handbook on 17 Manuals of the Act would help all the information seekers in getting information. However, in case any information seeker wants to get more information on topics covered in the handbook as well as other information may contact Assistant Engineer (SWM), F/North ward whose office is situated at F/ North ward office, 3rd floor, 96, Bhau Daji Road, Matunga,(E) Mumbai-400019. The procedure and fee structure for getting information is as per the provisions of RTI Act, 2005.

The corporation has decentralized most of the main departments functioning at the city central level under Departmental Heads, and placed the relevant sections of these Departments under the Assistant Commissioner. Assistant Engineer (SWM) is under administrative control of Assistant Commissioner.

For SWM department:-

He is assisted by Sub Engineer (SWM) and Asst. Head supervisor, Supervisor, Jr. Supervisor and Mukadams.

For administrative work he is assisted by Administrative Officer. Head Clerk and Clerk. Each Jr. Supervisor is given one beat to perform the duties pertaining to Sweeping and cleaning.

For Electric Department:-

He is assisted by Sub Engineer (M&E) and Electrician, Wireman and other staff.

For SWD Department:-

He is assisted by Sub Engineer (M&E) and SWD, Mukadams and other staff.
