A) Eligibility Criteria

1. For Regular, Routine and Maintenance works:

1.1 Technical Capacity

The tenderer(s) in their own name should have satisfactorily executed the work of similar nature in BMC /Semi Govt. /Govt. & Public Sector Organizations during last seven (7) years ending last day of month previous to the one in which bids are invited as a prime Contractor (or as a nominated sub-Contractor, where the subcontract had involved similar nature of work as described in the scope of works in this bid document, provided further that all other qualification criteria are satisfied)

I. For electrical work:

a) Three similar completed works each of value not less than the value equal to Rs.1,87,000.00

OR

b) Two similar completed works each of value not less than the value equal to Rs.2,33,500.00

OR

c) One similar completed works of value not less than the value equal to Rs.3,74,000.00

The value of executed works shall be brought to current costing level by enhancing the actual value of work at compound rate of 10 % per annum; calculated from the date of completion to last date of receipt of applications for tenders.

Similar Experience:

For assessing the technical capacity of Regular, Routine and Maintenance works; similar work shall mean, the completed satisfactory providing and installation work of electric/electrical utilities.

II. For Micro engineering work::

a) Three similar completed works each of value not less than the value equal to Rs.2,18,000.00

OR

- b) Two similar completed works each of value not less than the value equal to Rs.2,72,500.00

OR

- c) One similar completed works of value not less than the value equal to Rs.4,36,000.00

The value of executed works shall be brought to current costing level by enhancing the actual value of work at compound rate of 10 % per annum; calculated from the date of completion to last date of receipt of applications for tenders.

Similar Experience:

For assessing the technical capacity of Regular, Routine and Maintenance works; similar work shall mean, the completed satisfactory work/s of designing, providing & installation of microengineering self-contained combined technology And /OR AFDS direct pressure protection standalone mechanism with audio and visual alarm for PCS panel.

III. For Furniture work:

- a) Three similar completed works each of value not less than the value equal to Rs.57,36,500.00

OR

- b) Two similar completed works each of value not less than the value equal to Rs.71,70,500.00

OR

- c) One similar completed works of value not less than the value equal to Rs.1,14,73,000.00

The value of executed works shall be brought to current costing level by enhancing the actual value of work at compound rate of 10 % per annum; calculated from the date of completion to last date of receipt of applications for tenders.

Similar Experience:

For assessing the technical capacity of Regular, Routine and Maintenance works; Similar work shall mean, the completed satisfactory work/s of designing, conception/ planning, providing and fixing of office furniture.

The Bidder must submit the certificate of satisfactory completion of work from the user for part I , II & III mentioned as above, failing which their offer shall be treated as non-responsive and their Packet “C” shall not be opened. The bidder must have work

experience in all three parts failing which their offer shall be treated as non-responsive and their Packet “C” shall not be opened.

The value of executed works shall be brought to current costing level by enhancing the actual value of work at compound rate of 10 % per annum; calculated from the date of completion to last date of receipt of applications for tenders.

1.2. Financial Capacity (Not applicable for this Tender):

Achieved an average annual financial turnover as certified by ‘Chartered Accountant’(in all classes of civil engineering construction works only) equal to Rs. in last three (3) financial years immediately preceding the Financial Year in which bids are invited.

The value of executed works shall be brought to current costing level by enhancing the actual value of work at compound rate of 10 % per annum; calculated from the date of completion to last date of receipt of applications for tenders.

2. For Original and New construction works (Not Applicable for this tender)

2.1 Technical Capacity (Project Experience): (Not Applicable for this tender)

The tenderer(s) in their own name should have satisfactorily executed the work of similar nature in BMC /Semi Govt. /Govt. & Public Sector Organizations during last seven (7) years ending last day of month previous to the one in which bids are invited as a prime Contractor (or as a nominated sub-Contractor, where the subcontract had involved similar nature of work as described in the scope of works in this bid document, provided further that all other qualification criteria are satisfied)

a) Three similar completed works or currently executing three works of similar nature each costing 30% of estimated cost.*

OR

b) Two similar completed works or currently executing two works of similar nature each costing 40% of estimated cost.*

OR

c) One completed work or currently executing one work of similar nature of aggregate 60% of estimated cost.*

The value of executed works shall be brought to current costing level by enhancing the actual value of work at compound rate of 10 % per annum; calculated from the date of completion to last date of receipt of applications for tenders.

***In case of ongoing works to be considered, the bidder must have received payment bills of 80% of the contract sum for the work/works executed last day of month previous to the one in which bids are invited.**

2.2 Financial Capacity (Not Applicable for this tender)

Achieved a average annual financial turnover as certified by 'Chartered Accountant' (in all classes of civil engineering construction works only) equal to 30% of the estimated cost of work in last three (3) financial years immediately preceding the Financial Year in which bids are invited.

☐ To ascertain this, tenderer(s) shall furnish /upload the financial statement (Audited balance sheet) duly certified by Chartered Accountant.

☐ The turnover can be enhanced by 10% every year to bring the present level.

2.3 Similar experience is spelt in definite sense, such as-(Not Applicable for this tender)

For-Building Construction

B) Bid Capacity: (Not Applicable for this tender)

The bid capacity of the prospective bidders will be calculated as under: Assessed Available Bid Capacity = $(A * N^2 - B)$

Where,

A = Maximum value of Civil Engineering works executed in any one year (year means Financial year) during the **last five years** (updated to the price level of the Financial year in which bids are received at a rate of 10% per year) taking into account the completed as well as works in progress.

N = Number of years prescribed for completion of the Project/Works, excluding monsoon period, for which these bids are being invited. (E.g. 7 months = 7/12 year) For every intervening monsoon 0.33 shall be added to N.

B = Value of existing commitments (only allotted works) on the last date of submission of bids as per bidding document and on-going works to be completed during the period of completion of the Project/Works for which these bids are being invited.

Note: The statement showing the value of existing commitments and on-going works as well as the stipulated period of completion remaining for each of the works listed should be

attached along with certificates duly signed by the Engineer-in Charge, not below the rank of an Executive Engineer or equivalent.

Even though the bidders meet the above qualifying criteria, they are subject to be disqualified if they have:

- Made misleading or false representation in the forms, statements and attachments submitted in proof of the qualification requirements; and/or
- Record for poor performance such as abandoning the works, not properly completing the contract, inordinate delays in completion, litigation history, or financial failures etc.
